

DELTA WATERMASTER: STATUTORY DUTIES

- Duties found at Water Code section 85230.
- Duties involve water rights administration of diversions in the Delta.
- Specific duties:
 - Authority to require monitoring and reporting of Board orders, licenses and permits.
 - Delegated authority for approvals required by water right permits or licenses.
 - Delegated authority to approve temporary urgency changes to water right permits or licenses.
 - Authority to issue cease and desist notices.
 - Authority to issue administrative civil liability complaints.
 - Additional duties delegated by the Board.
 - Submission of regular reports to the Board and the Delta Stewardship Council on water rights administration, water quality issues, and conveyance operations.
